The Training is to help you understand the role as a facilitator leading small Bible study groups which is to guide the Group Meeting and to ask good questions. The primary aim is to equip facilitators to help others learn the Bible effectively. The techniques which are to help group members to share their understanding, to listen to each other, to learn together from God's Word and work towards applying their learning in Practical Application.

You will receive guidance, view videos on common mistakes and learn to facilitate with the better way. There will be practical experience in leading Bible study during the **Group Leaders' Training**. It will be very interactive, and you will be required to do some preparatory work before you come so we can make the most of our time together.

TEEM will send you the Study materials and Lessons for the homework as soon as we receive your confirmation. It should only take you 1-2 hours to complete.

We trust that this will be a great time of learning together as we seek to grow as disciples in using the TEE Methodology. Kindly filled up the enclosed registration form and sent back to us latest by **Mar 14, 2026 (Sat)** if you would like to attend this **Group Leaders' Training**.
